Online Programme

Date	Topic	Description
Monday 8th Feb 2021 12-1pm	Reading and Writing, 3+ Piano and Music	Discover how we support children's first steps in learning to read and learning a new language. Get tips for fun pre-reading activities you can do with your child. Learn about our music and piano lessons.
Tuesday 9th Feb 2021 12-1pm	German and Dance, 2+ A new language	In our contemporary dance class children develop their motor skills, social skills and self-confidence while having fun with music, play and creative movement. In German on Tuesdays. Get ready to move with your child and our dance teacher (if you wish). We will highlight our bilingual programme and approach to language learning. In a calm and purposeful environment, little ears get attuned to listening. Add a new language in a calm and purposeful social setting as a powerful stimulation for growing minds.
Wednesday 10th Feb 2021 12-1pm	Montessori and Maths	At Children First maths is fun and integrated throughout the day. Learn about our Montessori-inspired approach and get valuable ideas you can use at home.
Thursday 11th Feb 2021 12-1pm	Baby and toddler development 0+	In our nursery each baby is nurtured and loved every step of the way. We believe that focused attention from adults is essential in the development of individuality. Come and peak into the Children First nursery and meet some of our development care workers who understand each child's individual needs.
Friday 12th Feb 2021 12-1pm	Forest kindergarten and extracurricular classes 3+	Our forest preschool encourages children to be curious about the world around them and learn important skills in a non-traditional environment. Every Friday our experienced forest leader takes children on an adventure outdoors – rain or shine! Learn about the benefits of nature as your child's outdoor classroom. Our after-school classes include baking, Chinese, dance in English and Playball.

Join us on any of the days that interest you to learn about our unique concept and teaching in English and German.
