

Children First GmbH

www.childrenfirst.ch

Children First provides childcare and education to high standards for bilingual and international children in and around Zurich. Our pre-school curriculum is based on the UK Early Years and Montessori principles, with child observation at the core of our assessment process. We are located close to Zurich city centre in a quiet residential area, with excellent transport links and local facilities.

QUALIFIED EARLY YEARS PROFESSIONALS / Montessori Guides / Teachers

Nursery ages 0 - 2/ Preschool ages 2 - 4

We are looking for native English nursery and preschool professionals with proven ability working with children and evidence of reflective practice, to join our successful team. You will have a minimum of 5 years' experience working with children in a nursery, pre-school or developmental setting. Nursery group leaders or managers, Montessori teachers and guides, and infant teachers eligible for accreditation in Switzerland may apply.

If you would like to make a wonderful contribution to babies and children living in a beautiful early years setting, please call us on 044 252 9121 and send your CV together with an introductory letter stating why you would like to join our team to: contact@childrenfirst.ch
